FOREWORD

This spring we have witnessed the near completion of our beautiful educational plant which is the result of many hopes and dreams of the men and women who at onetime were students, teachers, or administrators of Poly High School. As we look about our modern campus with its many improvements and new additions, we know that many long hours of planning combined with some worry and much patience have gone into the realization of these dreams.

It is the desire of the 1953 Caerulea Staff that this yearbook of memories will in some way reflect the earnest efforts of our school leaders. We hope that these following pages have recorded the unforgettable experiences which you have had at Poly and will in the years to come, recall to you many happy memories.

May those of you who have made the acquaintance this year of Jonathan Caerulea Jackrabbit always follow his example by exemplifying your loyalty to our school and showing pride in having had a part in its activities.

Dear Sue,
 I'm glad we got
 to know each other so well.
 You were tremendous in the play
 & very cooperative in "Fascinating Rhythm"
 I really appreciated that. Looking forward
 to see you next year
 and in the future
 to come. I sure think
 you are a
 fine girl.
 Sincerely
 Carol Smith

Well it looks like were finally going to graduate, and I don want.

I wonder how old eagle beak (Mr. White) will get along without us. Its really been a ball the last couple of years. I hope the "gang" doesn't disintegrate when school's out. When school starts again I think everyone is going out to City College. Are you? Well, I just want to add its been great knowing you and I hope to see you next year and during the summer. Lots of luck.

OUR PRINCIPAL

In the coming year we will see the completion of the grounds and most of the buildings planned for our campus—a beautiful high school made possible for all of us through the vision and generosity of the citizens of Long Beach.

The present building program started in 1934 after an earthquake had destroyed most of the then existing Polytechnic High School plant. It has been a slow process of one building being completed at a time, until today, almost twenty years later, we are seeing a completed Poly High School campus.

Our new school is in reality a combination of the old and the new, as the traditions, ideals and standards of our past history are an integral part of our school life today. The qualities of Poly people, teachers and students alike, in the past as in the present, are what make Poly a wonderful school. And as Poly graduates continue to go forth to serve our community and nation with honor and integrity, so will the Poly name remain great.

Darle

Dear Sue,

It's so hard to tell you how I feel. I know I'll never forget you and your wonderful thoughts and disposition. You've always had the gift of putting people in a good mood or making them happy when they feel sad.

I know you're going to get all the things you want out of life because you really deserve them.

Please don't forget me, or the things we've done together. I know as long as I live I'll think about the Mts. this last winter, thanks to you for asking me out to Thalia. Also through the sorority I've met Ted.

Someday let's get together and cry **CLUBS** because I feel like it so very much right now. Let's do a lot of things together this summer and in the years to come. Love,
Darle

PIGSKIN REVIEW

Cal Rossi

During Coach Cal Rossi's first year at the helm of the Poly Jack-rabbit gridders the squad showed tremendous spirit all season long and improved rapidly as the year progressed, playing a championship brand of ball in the final four games. Although the team played throughout

the year as a unit, individual stars were developed under the efficient training of Coach Rossi and assistant coach Sam Dimas.

Gerry McDougall, the hard-charging, fast-moving tailback, earned a coveted place on the first string ALL-CIF team. Even though he was out of play half the season with a knee injury, he was chosen on the ALL-CITY eleven, the ALL-COAST LEAGUE first team; and he was selected "Most Valuable Player" in the Coast League by the Los Angeles Examiner.

Other stars were also recognized for their top performances; Kent Bingham and Jack Berro both made ALL-CITY and ALL-COAST

LEAGUE selections. Bill Balcom and James Brown were second team ALL-CITY and ALL-LEAGUE. Guard Sam Collins was named the squads "Most Inspirational Player" by his teammates.

This has been a good year for the new coach and the fine group of players. With spirit an outstanding factor, Poly will be back next year fielding a great team.

An introductory general meeting in September initiated the year's Girls' Athletic Association activities. A football review by Coach Rossi followed this event. The annual Poly-Volley was held in the girls' gym this year with dinner following. Two swim clubs were organized promptly upon the opening of the new pool. The tennis clubs continued to meet while bowling remained a favorite; many enthusiasts joined Golf Club, Social Dance Club, and L Club. Elections preceded the February Mother-Daughter Installation Tea at which the new awards were presented. Intermurals and interschool playdays were held regularly with volleyball the predominating sport. The annual June banquet concluded a successful year for the G.A.A. in the new buildings.

SENIOR CLASS HISTORY

Three years have elapsed since the Senior Class of nineteen fifty-three has entered Poly to learn. The students have proceeded through the years, gaining different tributes and recognition. Each senior will be proud to have been a member of the class of fifty-three with its outstanding leaders, numerous sealbearers, Gold L recipients, and scholarship winners. The fun they had at dances, class contests, and football games will mean fond memories for all. The members of the class of fifty-three have been very fortunate, for they have had the opportunity of being the first to see the new modern buildings erected and the first to initiate them. Truly the class of fifty-three has been a credit to Poly, and now the individuals will go forth to serve and, in turn, be a credit to their country.

Suzie; Well graduation isn't very far off now haven't we had fun though! We sure had a ball at the mountains. I don't think we ever sang or danced so much. I think we became regular card sharks! and those crazy parties we used to have. I don't think anyone had more fun than all of our gang. It'll be just like old times when we go on our trip to Yosemite. I just can hardly wait to leave because we've been planning so long for that trip. No matter what colleges we go to we should still all get the gang together every so often Suzie, I hope the Lake City College, real lots.

I can't think of all the crazy times we've all had. The days we went down to Bal for our "educational sight seeing tours" when we didn't have anything better to do but go to school. I had a it rained and we went to Laguna. Sorry, I can't think of much more to say, but lots of luck always, and we'll have a ball this summer I know. Suzie always keeps that bubbly personality of yours. I gotta be sweet. Be ya this summer.
